

MEMORANDUM FOR: CHIEF, RQM/OIS

SUBJECT : SE 51 (formerly NIE 77/1): The Significance  
of the New Indonesian Government

REFERENCE : ONE memorandum of 20 August 1953, trans-  
mitting proposed Terms of Reference on Above  
Subject

25X1C 1. It is noted that the reference outline is directed at description  
of the situation and estimate of probable development. I recognize  
that these must be the purposes of the contemplated paper. However,  
it occurs to me that the information which will be reviewed and col-  
lated and the knowledge and judgment of the individuals participating  
might be able collaterally to throw some light on possible courses of  
[REDACTED] action which the United States might undertake to  
affect the Indonesian situation.

25X1C 2. I do not suggest that the projected estimate should be expanded  
to include this subject, or that the effort of its preparation be diverted  
in any substantial way to such a collateral purpose. [REDACTED] 25X1C

25X1C [REDACTED]  
25X1C [REDACTED]  
25X1C [REDACTED] It is not expected that any such tangen-  
tial statement would be part of the estimate itself. It would be helpful  
in any form of informal, supplemental statement which ONE might find  
it convenient and possible to provide.

Talked to   
and explained our  
reluctance to have our  
people think in terms  
of what the intel could  
mean from an ops  
viewpoint. He agreed  
we shouldn't push the  
matter. He would be  
glad to get any "bright"  
ideas which might  
occur to our people  
from time to time
