2. A contingent of 2,500 US airborne troops began deplaning at San Isidro Air Base at 0215 EDT. These troops will assist the Marines in protecting US and foreign nationals in Santo Domingo. The deplaning process is expected to require about four hours to complete.

3. Ambassador Bennett has reported that former triumvirs Reid and Caceres telephoned the US Embassy earlier this evening. They were in cheery spirits and when the ambassador mentioned that the Embassy had been under fire, they seemed to feel that they had a safer asylum.

4. The OAS has now completed its session. The membership voted in favor of the resolution submitted by the US. The first paragraph reiterated the earlier OAS appeal to all those involved in the conflict to take all possible measures for a cease-fire and suspension of hostilities. This was approved by a vote of 16 to 0, with four abstentions (Chile, Mexico, Venezuela, and Uruguay). The second paragraph
