Location: Mi-4u Army Barracks South AL-1 is located 0.7 nm southeast of the town of Mi-7u.

General: This report updates the referenced DIA basic report on this installation. It is based on a chronological study utilizing the earliest coverage and all subsequent high-resolution photography of the installation. Note that the identification and boundaries of the functional areas may differ from those in the DIA report. The number in parenthesis after dimensions (e.g., 7x) indicates the estimated building capacity for wheeled vehicles. Square footage is shown for barracks, quarters, messhalls and storage facilities.

This installation is probably capable of housing an artillery regiment.
