Mr. Daniel J. Fink
Vice President and General Manager
General Electric Company
Space Division, P.O. Box 8555
Philadelphia, Pennsylvania 19101

Dear Mr. Fink:

I take pleasure in adding my expression of appreciation to that of the Senior Seminar for the cordial reception and excellent presentations that were given by yourself, Mr. Jack Hamilton, Mr. Gus Chase, and other senior executives in your organization on Wednesday, 29 October 1975.

The members of the Seminar were impressed with the detail provided them in the briefings in regard to the varied technical activities of your organization for both domestic and foreign customers. They appreciated the candor you and your associates showed in discussing the many responsibilities your company has. The members also very much enjoyed the opportunity to talk informally with individual officers of General Electric at the luncheon you graciously provided.

On behalf of the Director, I want to express our gratitude for your splendid cooperation.

Sincerely,

/s/John E. Blake
