MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Science & Technology

FROM :
Office of General Counsel

SUBJECT : Agency Relationships with the Business Community--
Recommendations of the Inspector General

The memorandum from E. H. Knoche dated 27 February 1977 (Executive Registry 77-0011/3) recommends at page 4 that.... "The General Counsel in conjunction with the DDA and DDS&T should review all DCI delegations of contracting authority and be prepared to discuss any necessary or desirable changes or revisions...." I have been assigned as the OGC contact point on this recommendation and would appreciate the opportunity to discuss the matter with the appropriate official in your Directorate at your earliest convenience.
