

LIAISON
BBC

Chief, London Bureau

23 April 1954

Field Operations Officer

Soviet-Satellite Reciprocal Broadcast Arrangements

1. The continued cooperation of the BBC is appreciated in checking material from Soviet Far Eastern regional transmitters carrying broadcasts originating in Satellite capitals.

2. The following summaries of broadcasts in this category intercepted during the past month are attached; included are three via a transmitter (Vladivostok) which has not appeared in previous intercepts:

Khabarovsk, March 14, 1954, 2200 GMT (Broadcast from Rumania)

Khabarovsk, March 29, 1954, 1030 GMT (Broadcast from Czechoslovakia)

Vladivostok, March 21, 1954, 1100 GMT (Broadcast from Hungary)

Vladivostok, March 30, 1954, 1050 GMT (Broadcast from Poland)

Vladivostok, April 8, 1954, 1045 GMT (Broadcast from Rumania)

FOR THE ACTING CHIEF, FBIS:
