Dear Roger,

Many thanks for your signal agreeing to Sheringham's trip as proposed by me in my letter of 29th December. The tour has been agreed in principle here, and I am proceeding to make the necessary detailed arrangements.

Subject to your agreement, my proposed itinerary for Sheringham is as follows:

Washington	24th February - 5th March	16 - 26 <i>16 - 26 March</i>
San Francisco	5th March - 10th "	26 - 31 <i>26 - 31 March</i>
Tokio	12th " - 16th "	2 - 6 <i>2 - 6 Apr</i>
Hokkaido	16th " - 20th "	6 - 10 <i>6 - 10 Apr</i>
Okinawa	20th " - 27th "	10 - 17 <i>10 - 17 April</i>
Saigon	29th " - 31st "	19 - 21 <i>19 - 21 April</i>

It has been suggested, in consultation with that if possible Sheringham could usefully spend in Washington - two days with RPB, two to three days with Editorial, one day with Liaison and Operations, and a day at East Coast Bureau. But I leave myself in your hands over this.

Sheringham will have a passport valid for the United States, Japan and Saigon, but presumably he will require a special entrance permit for Okinawa and I would be most grateful if you could arrange this. When the air line bookings have been done I will let you know complete details of times, flight numbers, etc. so that you can notify the various Bureaus and ask Bureau Chiefs if they would be kind enough to arrange hotel accommodation at the different ports of call.

I wonder also if you would very kindly book some suitable hotel accommodation in Washington for him.

In accordance with our long standing arrangement with you, I will in due course let you have the usual assurance that Sheringham has been formally cleared for this assignment.

With kind regards,

Yours sincerely,
