1. A new Yugoslav clandestine broadcast transmitter has been heard on 6695-6720 kilocycles at 1600 hours EST. Reception is very poor, but intelligible fragments yield the slogan "Sloboda ili Smrt (Freedom or Death)" and indications of control by Mihailovic partisans. The name "Ravna Gora" occurred several times in the broadcast of 31 January 1949.

2. The station announces an additional broadcast period on the 46-meter band at 0015 EST, which however has not been heard.
