KOSICE -ZILINA LINE DOUBLE-TRACKED . Pravda, No 36, 12 Feb 49

The general plan for the electrification of the Zilina-Spisskn Nova Ves Sector of the Kosice-Zilina railroad line was worked out under the two-year plan. On the basis of this plan, work will begin in April on the Zilina-Turany nad Vahom section. The double-tracking of the following sections was carried out in the two-year plan: Spisskn Nova Ves-Hrabusice, Ganoyce-Poprad, Tatry, [Mts] Hybe-Liptorsky Sraty Mikules, and Sucany-Yrutky. Work has continued on the Ruzomberok-Svosov and Kral'ovany-Sutovo sections; on the latter section a 600-meter long tunnel has been completed. Embankment work has begun on the following sections: Spisske Vlachy-Spisska Nova Ves, Svosov-Kral'ovany, and Turany-Sucary.

MORE MOTOR FUELS IN MARCE -- Synchodan Slovo, No 44, 22 Feb 49

The Central Distribution for Petroleum and Motor Fuels announced recently that the allotment of liquid motor fuels and gas oil for motor transportation in March would be increased somewhat to reach the level of the February allotment.
