UNION-WIDE CONSTRUCTION PROGRESSES

PUSH COMPLETION OF PLANT TETs -- Sovetskaya Moldaviya, No 175; 31 Aug 49

Assembly workers who are working on the construction of the Rybnitsa Sugar Plant have pledged the installation of the heat and electric power station ahead of schedule.

FACTORIES, MILLS UNDER WAY -- Rude Pravo, No 207, 3 Sep 49

A large textile combine is being constructed in the suburbs of Tallin. Construction of a spinning mill which will contain tens of thousands of spindles has recently been finished. A weaving mill is also being built.

Construction of a large clothing factory at Vil'nyus is near completion. Two sections of this factory are already working.

In subtropical oblasts of Georgia 15 new tea-packing houses which will process a total of 36,000 tons of yellow tea leaves are being built. Workers' settlements are appearing about the factories.

Construction of a printing combine which will print 30 papers with a total circulation of over one million, as well as 32 periodicals, has been begun at Tashkent.

New large carpet-producing combines which will produce tens of thousands of square meters of carpets and stair carpets yearly have been opened in Belorussia. The carpets will average 20 square meters. A factory which will produce 30,000 square meters of carpets yearly is being built in Armenia, where 3,000 persons working in 18 cooperatives, are employed in carpet making.
