RED CHINA CHARGES SOUTH KOREA WITH OPPRESSION OF OVERSEAS CHINESE

South Korea, the most recent target of Chinese Communist propaganda, is being accused of oppressing overseas Chinese in that country. This charge was made by the Hsin-hua in a United Press dispatch from Hong Kong which appeared in the 7 March Nan-ch'iao Jih-pao. The Chinese Communist news agency said that under the pretext of checking smuggling activities, South Korean special agents are attaching or confiscating the goods of overseas Chinese. It further charged that land which overseas Chinese own or rent has been seized by the government and the business licenses of many have been canceled.

The US was implicated when the Peiping Radio denounced the "UScontrolled" South Korean government of Yi Sung-man (Syngman Rhee) for persecuting overseas Chinese. A United Press report from Tokyo of this broadcast was published in the 8 March Nan-ch'iso Jih-pao.
