BUILD NEW TOWN, POWER STATION

CONSTRUCT NEW TOWN IN KAZINCBARCIKA -- Bucharest, Viata Capitalei, 1 Aug 51

Hungary's Five-Year Plan provides for the construction of a new socialist town in the community of Kazincbarcika, Borsod County. Construction work has begun. Giant excavators and Soviet vehicles have arrived from the construction yards and have begun operation. Daily, 50-60 carloads of bricks, lumber, and cement arrive in Kazincbarcika.

A large power station will be constructed. It will furnish electricity to a considerable number of enterprises in Borsod County. Two factory buildings now under construction in Kazincbarcika will be completed by 1 November 1951. Approximately 3,000 dwellings will be constructed for workers.
