FALL-WINTER AIR SCHEDULES INTRODUCED -- Riga, Sovetskaya Latviya, 3 Nov 53

The fall-winter schedule of the Civil Air Fleet began at the Riga Airport on 1 November. There have been some changes in the schedules of passenger aircraft. At 1245 hours daily, there is a flight for Moscow, and at 1110 hours daily, for Kiev. Aircraft will depart for Leningrad three times a week, and for Tallin every other day.

Yerevan, Kommunist, 3 Nov 53

[

Fall-winter flight schedules began at the Yerevan airport of the Civil Air Fleet on 1 November. A new schedule has been introduced on the Yerevan-Sukhumi-Rostov-Khar'kov-Moscow line. Passenger planes will depart on the odd dates and cargo planes on the even dates.

Daily local flights connecting Yerevan with regions of the republic $\sqrt{\Lambda}$ rmenian SSR/ are also being carried on.

The aircraft are equipped with a heating system which makes it possible to maintain a temperature of 17 to 18 degrees centigrade during cold seather flying.
