SOURCE

[redacted]

25X1X

1. Motor vehicles proceeding to Finsterwalde airfield on 25 March included trucks [redacted]

25X1B

[redacted] 25X1B

25X1

2. Source learned from one [redacted] Spree, that Finsterwalde airfield was to be improved by the Bauunion Leipzig. The installation was to be provided with more modern facilities than Jueterbog airfield. 1

25X1A

1. [redacted] Comment. Details on the planned improvement of Finsterwalde airfield are not yet available. Reference is made in this connection to surveying done near Rueckersdorf, seven km southwest of Finsterwalde.

25X1A

[redacted]. A bomber regiment probably equipped with 12 IL-28s is stationed at the field.
