The road bridge over the Kacsawa (Katsbach) River at Smokowice (Schmochwitz), approximately 6 km. southwest of Legnica (Liegnitz), which was demolished at the end of the war, has been under reconstruction for the last two years. Up to now traffic has been operating over a provisional wooden bridge which was built for the southern lanes of the dual highway. The new concrete bridge, which is nearing completion, is under construction on the northern lanes.only. It is presumed that when this part has been completed and opened to traffic, a start will be made on constructing the bridge on the southern lanes of the dual highway.
