SECRET

- 2 -

3. The command committee of the district is organized in the following manner:
- a. Commander in chief of the district troops is Nguyen Long Dien, aka Dang Van Dien, aka La Xuan Dien. Dien is also in command of the regional battalion.
  - b. Deputy commander in chief is Vo Minh Quang.
  - c. Chief of District Troops is Viet Chau.<sup>1</sup>
  - d. The Command Committee has five carbines, two grenade launchers<sup>2</sup> and a number of mines for issue in case of need.
4. There are four sections of troops in the district. They are as follows: 35
- a. Section A. The command committee is made up of Tam as chief, and Phan Ngoc Diep as deputy chief. This section is equipped with the following arms, 2 MAS Submachine guns,<sup>3</sup> 1 American carbine, 14 English weapons (sic), 2 grenade launchers, 2 Thompson submachine guns, and 4 submachine guns. Section A has the regional responsibility of area C.
  - b. Section B. The command committee is made up of Nguyen Van Thuyet as the chief, and Duc as the deputy. This section is armed with the following weapons, 1 British automatic rifle, 15 MAS rifles, 1 American carbine, 2 grenade launchers, and 2 submachine guns. Section B is responsible for region A.
  - c. Section C. The command committee is made up of Hoang Thien Hung as the chief, with two deputies, Hong Tu Thau and Bay. This section is armed with the following weapons, 1 British automatic rifle, 1 American carbine, 1 submachine gun, 15 British rifles, and 2 grenade launchers. Section C is responsible for region B.
  - d. Section D. The command committee is made up of Tran Van Gian, as the chief and the section is armed with the following weapons, 1 French automatic rifle, 1 American carbine, 14 British and American automatic weapons, 2 submachine guns, and 2 grenade launchers. Section D is responsible for region D.

25X1   Comments

- 1. Presumably the same as Viet Chau mentioned in paragraph 1, C.
- 2. The French word was tromblon, which is translated grenade sleeve, fitted to a rifle. Presumed to be grenade launcher.
- 3. Abbreviated in the French, it could mean either Automatic rifle, or submachine gun. MAS does not make an automatic rifle, so this is presumed to be a submachine gun.
