25X1

1. [] the Soviet Intelligence Service is exploiting United Nations, particularly US, PWs in China and North Korea. [] some PWs listed as missing were in fact turned over to the Soviets by the Chinese and North Koreans. These PWs will be screened by the Soviets, and those eventually selected will be trained to be illegal residents either in the US or in other countries where they can live as Americans. 25X1
2. Some selected PW personnel will also be used in propaganda work, especially as radio announcers because there is a shortage of this type of personnel.
3. Those PWs who are found to be unsuitable will never be released because they will have learned too much about Soviet PW handling techniques. Use will also be made of the identities and biographies of dead PWs in preparing legends of new Soviet agents.

DPMO review completed.
