 Comment. The volume of incoming supply traffic observed at the Satz Korn GSFG main ration supply depot in November 1954 totals 287 cars including 162 cars from the USSR. Although the traffic from the USSR dropped below the yearly average, the total amount shows the yearly average as was the case in previous months. The outgoing supply traffic in November 1954 included 175 cars which were dispatched mostly to the Third Shock Army and First Gds Mecz Army. This is a decrease of about 80 cars compared to the yearly average.  are reported for the first time.
