1. Communist China has the top position in the development of international Communism. Poland has put a large part of its merchant fleet at China's disposal in order to instruct Chinese sailors in naval science and to unload in China merchandise bought in Europe. 25X1
2. The USSR aids China in the following spheres: military, economic, scientific and social. The USSR is even having fishing vessels constructed in Western Europe for China. These vessels are sent to China, where they are armed and integrated into the Chinese navy.
