1. Nine trains carrying tank units were dispatched from Halle/Ammendorf to Rossleben between 19 and 21 April. On 25 and 26 April, ten trains coming from RBD Magdeburg were unloaded in Forst Zinna. ¹

2. On 26 April, large scale transport movements were reportedly under way in Halle, Rathenow and in RBD Schwerin where approximately 40 trains were employed for troop movements.

1. **Comment:** The shipments to Rossleben transferred elements of the 21st Guards Mechanised Division to the Losse troop training grounds. The trains to Forst Zinna presumably carried troops of the 7th Guards Tank Division, ¹

¹ 19 shipments had been dispatched from Dassau and Zerbst to Justebog between 21 and 27 April.
