- 1. [Redacted] Comment. Compare with [Redacted] The present report indicates that Jueterbog was transit station between the Halle railroad district and the Berlin railroad district.

25X1

[Redacted] It cannot be determined, however, if the 6th Gds Tk Div and 7th Gds Tk Div both belonged to the movement, or only the 7th Gds Tk Div. Pertinent reports mentioning Wittenberg and the Halle railroad district indicate that contingents of the 6th Gds Tk Div probably also went to Jueterbog.

- 2. [Redacted] Comment. The troop trains were confirmed by two other reports.
