This is UNEVALUATED Information			<u>25X1</u>

1. Between 1100 and 1200 on 9 April 1955, the following observations were made:

- a. Waellisch Hof was guarded by a sentry wearing black-bordered blue epaulets. Thirty-six trucks, 18 van-like trucks, 25X1
3 tank trucks, and 4 jeeps
 were parked under lean-to roofs. Trucks with driver
 wearing black-bordered blue epaulets, and 1
both with drivers wearing red-bordered black epaulets
 were seen in traffic at the installation. Only new motor 25X1
 vehicles, including 40 trucks and 15 tank trucks, were seen in 25X1
 the "Konzervati Park". Work was being done on the tank trucks,
 the containers of which were not yet painted.
- b. Liechtenstein Castle was guarded by a sentry wearing black-bordered blue epaulets. There was no vehicular or personnel traffic at the installation, the status of which appeared unchanged.

2. Between 1245 and 1400 on 9 April, the following observations were made:

- a. Building No 270 on Breitenfurter Strasse in Liesing was guarded 25X1
 by a sentry wearing black-bordered blue epaulets. Jeep 25X1
 parked in front of the building. The motor vehicle park in Liesing
 was guarded by a sentry wearing black-bordered blue epaulets. Three 25X1
 trucks. 4 van-like trucks, 1
3 sedans, 1 bus and
 jeep were parked under lean-to roofs. Soldiers wearing 25X1
 red-bordered black epaulets were also seen at the installation. 25X1
 Telephone cables, part of which were newly laid ended at building No 25X1
 1 on Zander Gasse. Building No 29-31 on Schloss Gasse was guarded
 by a sentry wearing black-bordered blue epaulets. Three field-grade
 officers wearing blue-bordered blue epaulets and trucks 25X1

c. Building No 6 on Graefin Zichy Gasse in Kalksburg was guarded by a sentry wearing black-bordered blue epaulets. Eleven trucks and 2 van-like trucks were parked under lean-to roofs. It was apparent that there was a considerably smaller number of motor vehicles than usual parked there.

3. Between 1430 and 1500, a former factory, about 500 meters north-northwest of Brunn am Gebirge railroad station was guarded by a sentry wearing red-bordered black epaulets. Seventeen trucks, including 11 new ones without numbers were parked near the installation. The buildings of the former factory were presumably used by the Soviets. Four soldiers were doing repair work on the roofs. Numerous broken boxes, including ammunition boxes, were piled up in the factory yard. ²

1. [redacted] Comment. The arrival of the new trucks seen in the Konzervati Park was reported previously. [redacted].
