- 1. Comment. The shipments contained ammunition from the USSR from the Soviet ammunition depot at Tsepchin.

25X1

the shipment on 23 July 1955 contained ammunition or empty cartridge cases which were returned to the USSR.

25X1

- 2. Comment. The shipments contained iron ore for the Bismarck-Kombinat Ost in the GDR.

25X1

- 3. Comment. The shipment contained uranium ore which was delivered to the USSR from the Saxony Uranium Mining District.

25X1

- 4. Comment. Number and type of railroad cars and the dispatching stations indicate that the shipments contained motor vehicles which belonged to the vehicle exchange movement and were returned to the USSR. Although the dates of the shipments from Magdeburg in paragraphs 3 and 4 are different, it is believed that the two shipments are identical. The same shipment was previously reported on 10 August 1955.
