1. [redacted] Comment. Possibly supply of tank spare parts. 25X1
2. [redacted] Comment. Incoming shipments of tanks. The shipments observed on 22 August must have carried 20 tanks instead of 23 tanks. This shipment is possibly identical with a shipment consisting of 22 heavy-duty flatcars dispatched to Magdeburg which was previously reported. The identification of the shipment observed on 24 August has been equally difficult. Shipments observed on 5 and 6 September have been reported for the first time. 25X1
3. [redacted] Comment. Export of the GDR automobile industry. 25X1
