MEMORANDUM FOR THE BOARD ASSISTANTS:

Subject: Doctrinal Program

USIA has forwarded the attached USIA operational plan, "The U. S. Doctrinal Program" in accordance with the Board Assistants decision of October 23, 1953 on "Disposition of PSB Papers", October 21, 1953.

I am not at this time prepared to suggest a specific approach for the handling of this paper but I hope we can have a preliminary discussion on it at our meeting on Friday. As you know, the Board is quite anxious to move ahead on this paper.
