MEMORANDUM

Mr. Joseph B. Phillips, Department of State
Mr. William H. Godel, Department of Defense 25X1A5a2
Mr. Thomas Wilson, Mutual Security Agency
FROM: 25X1A5a2
[redacted] Secretary to the Board [redacted]
SUBJECT: Forthcoming PSB Report to the President and the NSC

This is to suggest that action be initiated in your department or agency in anticipation of the next Report of the Psychological Strategy Board to the President and the National Security Council. We have been informed by the staff of the NSC that the President has requested a report from the Board covering the period ending December 31, 1952. The report should be submitted by the Board by the first of February 1953. This timetable will require receipt of the department's and agency's contributions by about January 6, 1953.

Although we are still in the process of working out the final form of PSB reporting as requested by the Board at its October 30th meeting, it is thought that this advance notice would be appreciated since it is probably possible to get started on collecting materials, etc. without prejudging the outcome of our study of whole^{the} reporting problem.
