MEMORANDUM FOR MEMBERS OF THE PSYCHOLOGICAL STRATEGY BOARD

TO: General Walter Bedell Smith
Director of Central Intelligence

SUBJECT: Contracts

25X1

25X1

I am attaching a copy of a memorandum from the Chairman of our LENAP Committee, on which you are represented . The Chairman reports that the Committee is in agreement that all Departments and Agencies of the Government concerned with offshore procurement should make strong efforts to immediately place or to finalize orders

25X1

I think that the reasons for the Committee's action are adequately explained in the attachment to the Chairman's memorandum and I would be most grateful if your Agency would take whatever action that may be feasible in carrying out this recommendation.

If you feel that it would be desirable to discuss this matter with the other members of the Board, I suggest that we take it up at our next luncheon.
