UNITED STATES INTELLIGENCE BOARD

Annual Report to the NSC on the  
Status of the Foreign Intelligence Program  
(Fiscal Year Ending 30 June 1960)

Reference: USIB-D-3.2/6, 7 July 1960

1. Attached for your review is a draft of the subject report which the Director of Central Intelligence is required to submit to the NSC no later than 1 September 1960. This draft has been prepared on the basis of contributions by USIB agencies and subcommittees under specific instructions to be as brief as possible.

2. We propose to begin coordination sessions on Thursday, 18 August. Accordingly, agency representatives and other interested parties are asked to meet and discuss this paper at 1000, on Thursday, 18 August, in Room 136, Administration Building, CIA. Some individuals directly interested in only comparatively small sections of the text (e.g., Chairmen or Secretaries of Committees) may prefer to pass their comments on those sections to the Secretariat by telephone (Code 163, ext. 3402) or otherwise prior to the coordination meeting rather than participate personally in the coordination sessions with USIB agency representatives.

3. A brief Special Annex on COMINT and ELINT matters is being developed and coordinated independently through the COMINT and ELINT Committees.
