MEMORANDUM FOR: The Comptroller

25X1A6a

SUBJECT : Elimination of Finance Officer Position -  
          ████████████████████ Station

25X1A2g

1. The ██████████ Project at the ██████████ Station will be terminated during the spring of 1961, permitting a reduction of more than 50 per cent in the total staff and contract personnel of the Station. 25X1A6a

2. We believe with the closeup of ██████████ we can no longer justify two staff officers in the administrative shop; therefore it is planned that ██████████ be extended for a few months, until the end of August or early September when everything should be pretty well cleaned up. It is planned to continue ██████████ as Administrative/Finance Officer; his tour will expire during the summer of 1962. Since Mr. ██████████ was until recently an SF careerist, it is known he can handle the financial responsibilities in an exemplary manner. 25X1A2g
