UNITED STATES GOVERNMENT SALARY TABLES

To the Heads of Departments and Independent Establishments:

U. S. General Accounting Office Salary Table No. 39 will presently be issued for use by those officers and employees of the United States Government concerned in the preparation, certification, and payment of civilian payrolls and pay vouchers covering General Schedule per annum employees.

The table will show the new salary rates as contained in the Federal Employees Salary Increase Act of 1958.

Salary Table No. 39 will be approximately 9 by 12 inches in size and will contain about 25 pages.

Departments and establishments desiring copies of the new table should submit their requisitions through regular administrative channels to the Public Printer, on Standard Form No. 1, specifying "U. S. General Accounting Office Salary Table No. 39," for such quantity thereof as may be needed. In order that all requisitions may be combined and the table printed in one edition, such requisitions should be submitted not later than June 24, 1958.

There will be no distribution of Salary Table No. 39 by the U. S. General Accounting Office.

Comptroller General  
of the United States
