25X1A6a

REF : MS - 1649

The reference proposes that a 72-hour standby tour authorizing 80% premium pay in lieu of overtime be adopted at [redacted] to permit manning fire houses at both [redacted] with the addition of a single GS-4 Firefighter. While this added position was not included in the FY 1958 budget, the [redacted] Budget Office has informed us that the additional amount and personnel can be absorbed within currently allocated funds and personnel ceiling. In view of the increased coverage and the anticipated economies to be effected in providing this coverage, we have no objection to its adoption.
