1. Deputy Chief, Plans and Review Staff/OP 2728 Qts-I			COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)  John:  Attached per our telecon. This was used by our most recent Competitive Evaluation Panel [REDACTED] in making their rankings. Incidentally, they made their rankings twice, once using this system for promotions and the second time for potential by arraying all individuals in rank order. The two techniques were surprisingly close in final result when time-in-grade for promotion was disregarded.  The Panel has a mandate from our Board to refine this system. If their product differs appreciably from the attached, I will let you know. This was used, however, and the rankings prepared have now been reviewed by Colonel White.  <div style="text-align: right;"><i>HLB</i> HLB</div> Att.
