Vice Admiral E. T. Wooldridge Commandant, The National War College Washington 25, D. C.

Dear Admiral Wooldridge:

Many thanks for your kind letter of 11 April, offering this Agency an additional space at the 1956-1957 course at The National War College. We are indeed grateful for this opportunity to have another representative participate in the course.

Unfortunately, the three individuals when we had previously meminated as alternate candidates are now committed to other important assignments and will be unable to attend the College this year. However, we have selected and wish to nominate an equally qualified, senior career officer, to fill the vacancy. He has been chosen in accordance with the criteria which you provided.
