MEMORANDUM FOR: ^{DEPUTY} Director of Central Intelligence

SUBJECT: Nomination of Candidate to Attend the National War College

REFERENCE: ^{DCI} Letter to DCI from Commandant, National War College, dated 11 April 1956 (E.R. 8-1527)

1. The Commandant of the National War College has informed the Central Intelligence Agency that the quota of one, allotted to the Treasury Department by the Joint Chiefs of Staff for attendance at the 1956-57 course at the National War College, has been made available to CIA.

2. The three alternates named by CIA to attend this session of the National War College are now committed to other assignments and are unavailable. The CIA Career Council has, therefore, reconvened the three Deputy Directors (Intelligence), (Plans), and (Support) for their nominations.

3. At a special meeting of the Council on 24 April 1956, the nominations of the three Deputies were reviewed by the Council, which herewith submits its recommendation of an additional candidate together with alternates to attend the forthcoming session of the National War College.
