MACDILL AIR FORCE BASE, FLORIDA, 33608

12 November 1970

Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D.C. 20505

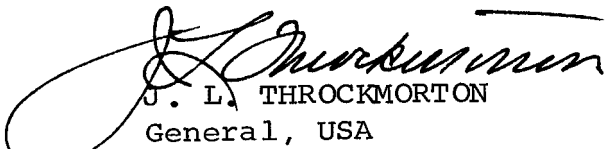

Dear Mr. Helms:

I was sorry to learn that you will be unable to attend our BONUS STRIKE Conference at Ramey Air Force Base, Puerto Rico, next February; however, I am grateful for your having made Lieutenant General Cushman available as your representative. I am confident his treatment of the subject will be most informative. I have inclosed for your information an updated agenda including speakers.

In addition to the space reserved for Lieutenant General Cushman, we have reserved one additional conference space for a member of your staff. It would be appreciated if you would have your staff provide this headquarters, ATTN: STRJ3-TP, the name, rank, and security clearance of the additional conferee. The point of contact at this headquarters for administrative arrangements is Lieutenant Colonel Kenneth W. Smith, Extensions 2841/3387.

Thank you for your interest in our conference. Perhaps you will be able to participate in a future BONUS STRIKE Conference.

Sincerely,

J. L. THROCKMORTON

UNITED STATES STRIKE COMMAND
OFFICE OF THE COMMANDER IN CHIEF
MACDILL AIR FORCE BASE, FLORIDA, 33608

17 September 1970

Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D.C. 20301

Dear Mr. Helms:

The purpose of this letter is to extend to you a cordial invitation to address and to participate in a high level conference to be conducted at Ramey Air Force Base, Puerto Rico, 24 through 26 February 1971 on the subject: "The Changing Character of the U.S. Strategic Position and the Problems of Strategic Mobility in the 1970s."

The conference will be the fifth in a series which this command has hosted on subjects of mutual interest to the State/Defense community. Among those to be invited will be the Secretaries of State, Defense and the three Services, the Chairman of the Joint Chiefs of Staff, the Service Chiefs, and Commanders of the Unified and Specified Commands. The purpose of the conference, as in past years, is to provide attendees an opportunity to hear and discuss with distinguished authorities various facets of the selected subject.

It would be appreciated if you could accept this invitation and address the conference on 24 February 1971 on the subject: "Communist Strategy in the 1970s." Though the scope and content of your presentation is entirely a matter for your determination, I have attached a copy of the conference agenda with some suggested topics for your consideration.

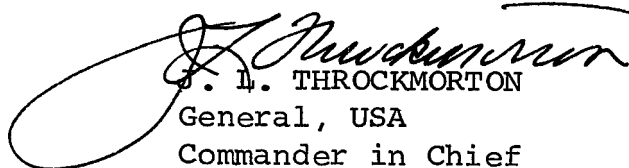

Our objective is to conduct the conference in an environment of complete academic freedom and candor. All conferees will possess TOP SECRET clearance and the facility will be appropriately secured. No publicity is planned for the conference and your remarks would be recorded only with your permission.

We recognize that your busy schedule may not permit you to attend the entire three days; however, your attendance at a portion of the conference would contribute significantly to its success. Transportation to and from Ramey Air Force Base can be arranged to meet your requirements. Should you be unable to attend, please be assured that we would be pleased to have Lt Gen Cushman or any other representative of your choice make the presentation.

I do hope you will be able to join us at Ramey. I look forward to your favorable response.

Sincerely,
