Dear [Redacted]

I have requested that [Redacted] and his
Operational Intelligence Team provide a summary briefing
on their findings. Specific areas to be addressed include
tactical intelligence, imagery, SIGINT, human sources,
and Soviet/Arab tactics.

25X1

The briefing is now scheduled for 1400 hours on Wednesday,
17 April in Room 2D921. We have scheduled about one hour
for the presentation.

Request you identify about ten to 12 people from Langley
who should hear this presentation. I will select a similar
number from DIA. Based on our review, we can determine any
further requirements for briefings.

Sincerely,
