1. Suggestion Awards were announced for recipients in CRS, IAS, and OSR.

2. There was a discussion of the IC Staff post mortem on PHOTINT crisis reaction. COMIREX and IAS have both prepared and forwarded critical comments on the study. Mr. Walsh asked for a copy of the study and comments and planned to discuss the subject with General Wilson.

3. Mr. Colby reported at the Morning Meeting that the Saturday NSC session on SALT went very well. He wanted his thanks relayed to all who had a hand in it.

4. OLC is doing a paper for Kissinger on how the Oversight Committees work.

5. Senator Mondale is going to the USSR. Agency officers will brief him before he goes.

6. [redacted] commented on the problem of clerical recruiting. He mentioned that an Agency publicity campaign would begin on Thursday. FBIS is considering contracting out the typing of its daily report until the process becomes automated.

7. Mr. Knoche and [redacted] discussed the problem of translating a large backlog of military items acquired by DDO/SB. SB is unable to handle the work load but is reluctant to turn it over to FBIS because of security concerns.
