5 April 1974

MEMORANDUM

SUBJECT: Executive Council Meeting on 5 April 1974

Mr. Walsh chaired. Substituting were Messrs. [REDACTED]

25X1

25X1

1. Mr. Walsh gave Mr. King the DCI's note commending OBGI cartographers and geographers for their recent work on the Middle East cease-fire problem.

2. CIA "alumni day" has been scheduled for 11 May. The DCI and the Deputies will participate.

3. Mr. Walsh reported that he will accompany [REDACTED] to Monday's briefing of Congressman Nedzi.

25X1

4. Mr. Walsh briefed on the lax security environment at the Federal Energy Office. He also stressed that it is essential for all production offices to get a better handle on procedures for sending drafts and typescript memos to FEO and other consumers around town.

5. As part of the latest IG instruction to re-examine "Watergate matters," the DDI will have to certify that members of this Directorate have been polled on their knowledge concerning people and events connected with the subject. Mr. Walsh elaborated on [REDACTED] proposal for handling the polling problem in this Directorate at the division level. Don will be in touch with Office and Staff Chiefs regarding mechanics.

25X1

6. The group continued discussion of the MAGID paper on first-line supervisors. Mr. Walsh endorsed the MAGID suggestion that the question of "assessment centers" be explored at a future luncheon that will include the DDI, ADDI, MAGID Members, [REDACTED] and an Office Chief who is an opponent of the concept and one who is favorable to the concept.
