MEMORANDUM FOR: Assistant to the Director  
THROUGH : Assistant Deputy Director for  
Intelligence  
Director of Security  
SUBJECT : Unofficial Public Appearance

1. I have been asked by the Course Director Dennis [redacted] to deliver a short (15-20 minute) after-dinner speech to the

[redacted]

2. The speech will be unclassified, it will treat the need to address user requirements in the development of large scale information systems. Inasmuch as I had little lead time for preparation of a formal statement, I intend to speak from the notes used in my presentation -- previously approved -- for last year incorporating the [redacted] methodology as an approach to the problem of user requirements.

3. I request approval to participate in this program on the basis of the above disclosure.
