Tape 43

28 JUL 1980

Side A, 3 - 3 1/8

I have a memo on
~~SUBJECT~~// Ideas from Conversation with [] I'd like to take
that on my trip to Denver and the Tetons. Add to it, if it isn't on there,
the problems of information dissemination and how we use modern technology.

Routine

secret level only

Interviews

Questionnaire

1 1/2 day retreat ea Directorate plus all IOs

1 1/2 day retreat DCI/DDCI/DDs

September

NITs

Appreciated responses - too much to handle

New concept

6 mo papers - 24 resources

Not nec definitive Not what will happen w/in 6 mo - Building blocks

1 page precis -

Hope requestors will read

Value PRC(I) - greater policy thrust

- make us predict

- where can't - e.g., too fluid - primer on forces/factors

Muskie new

Broad ideas

Not want just staffed exercise

Specifics

Latin America - Cuba vice Guatemala?

Pir 4 on continuing list?

New look foreign policy?

Review priorities on Continuing Int

Intend establish quota on #'s - inflation

Will need coop DIA and INR

BUDGET

Chart 3

Production

Mil & S&T (Mil) = 80 - 85%

Steeper curves

Shouldn't econ/pol be growing?

How

art

"

NRP

Cost to carry out approved program higher

PM has come in _____

Bow wave hoped to level off has continued
