Dear Bill,

Thanks for the copies of both of your testimonies--SALT and unclassified publication of CIA reports. As always, I found them an exceptionally clear expression of your views.

I don't believe I have ever seen the case put more cogently for unclassified publication than you have done. I hope you won't mind my stealing some of your material!

Surely appreciated this kind of support.
Best to you and Barbara.

Yours,

STANSFIELD TURNER
