MEMORANDUM FOR: Director of Logistics

THROUGH : Deputy Director for Support

On 17 February Mr. Dale Thompson, Director of General Services of HEW, telephoned me to request some assistance in connection with their printing facility. They are setting up a committee to look over certain aspects of their printing problem and desire to have on the committee [redacted] of CIA, Nick Spence of Navy, and Fred Tew of GPO.

STAT

Mr. Thompson explained that [redacted] had been recommended to them most highly and that this work would not require more than a few hours of his time over the next two or three months. I told Mr. Thompson that CIA would be pleased to make [redacted] available for this limited assistance if it did not conflict with [redacted] personal plans.

STAT

Mr. Thompson said that either he or his deputy, Mr. Joe Parks, would get in touch with [redacted] within the next few days if this was agreeable. I gave him [redacted] telephone number (extension [redacted]) and told him that I would let him know if there were any reason why he should not get in touch with Mr. [redacted] directly.
