I want you to know how much Mrs. Kennedy appreciates the very fast and efficient job your office does on obtaining biographic material on our State visitors. Thank you again for your great assistance in this matter.

MEMORANDUM FOR: ~~Mr. Dulles~~

Initially Tish Baldrige depended upon State to furnish her, for Mrs. Kennedy, biographic material on visiting foreign dignitaries. However, this did not work out since State was slow in making the material available, sometimes incomplete, and at other times "not at all." In desperation she called us and we undertook to provide this support.
