April 13, 1955

Honorable Allen W. Dulles Director, Central Intelligence Agency 2430 E Street Washington, D. C.

Dear Mr. Dulles:

Enclosed are two copies of a questionnaire prepared by the Interdepartmental Committee on Internal Security (ICIS) which is being circulated to all executive departments and agencies as a means of obtaining information on the implementation of Executive Order 10501 (Safeguarding Official Information in the Interests of the Defense of the United States), in accordance with the responsibility therefor assigned to ICIS by the National Security Council pursuant to Section 17 of the Order.

It is requested that your Agency respond to this questionnaire by May 15, 1955. In the event more time is needed to complete the questionnaire, an interim reply to the ICIS, noting that fact would be appreciated. One copy of the completed questionnaire should be sent to the Executive Secretary, ICIS, Room 2515, Department of Justice Building.

It is requested that the information furnished be sufficiently detailed to enable the ICIS to accurately assess the degree to which Executive Order 10501 is being implemented by your Agency.

You will note that the information requested is to cover the period from December 15, 1953 (the effective date of Executive Order 10501), through March 31, 1955. Thereafter, the ICIS will request similar reports on a semiannual basis.

Sincerely yours,

J. Walter Yeagley V' Chairman, Interdepartmental Committee
