**MEMORANDUM FOR: Director of Planning, Programming, and Budgeting**

John:

I understand that [redacted] is still interested in the answers to his three questions about [redacted]

25X1

25X1

I personally listened to the CIA/NSA discussions of the relative merits of the two systems, and I believe the attached answers are as accurate and specific as can be given at this time.

25X1

Two interim systems in lieu of one provide the insurance which we feel this important target should have.

I suggest that you pass this along to [redacted]

25X1

We can, of course, discuss the matter at any length he likes, but I am convinced that however technical the technicians can get, they cannot be any more specific at this time.
