3. Mr. Kirkpatrick reported that the Director's Staff was maintaining a daily status sheet on which would be noted all items which should be called to the attention of the Director. He suggested that any item which the Assistant Directors wish to have brought to the attention of the DCI be sent up for inclusion on this status sheet. Dr. Langer said that O/NE keeps a daily status sheet showing the progress on estimates and that he would furnish this for inclusion of such part as was necessary.
