3. In a discussion re the proposed new building (information
furnished by Mr. [REDACTED]) it was stated that:

25X1A

- a. The Agency had requested 38 million dollars
but Congress probably would not appropriate
over 25 million.
- b. Of three sites considered by the Agency,
Nevius was preferred but would require the
38 million dollars for development.
- c. ^{new} A building at Soldiers' Home would probably
require the larger sum to meet Park Commission
approval.
- d. Langley would be the only choice for a 25 million-
dollar "warehouse" type building.

4. Mr. [REDACTED] informed Mr. Becker that FBI would call (probably
today) requesting DCI to ask State to issue a visa for an FBI agent to
attend the Union Conference in Moscow. Mr. Becker instructed Mr. [REDACTED] to
contact AD/SO who should submit the matter to DCI.
