Mr. Dulles:

a. Directed: (1) that no overflights be made for the time being;
 [] without prior
 clearance by him; (2) Mr. Helms to furnish D/DCI with a list of planned
 and/or proposed overflights for his perusal and further discussion with
 DCI in order to determine which of these flights will be made.

b. Noted a cable []
 (IN 29740) respecting phasing-out of all [] Activities. General
 Cabell stated that the contents of this message were not in agreement
 with a memorandum just received from Headquarters, USAF, on this subject
 and after some discussion undertook to pursue this matter further with
 Lieut. General Thomas D. White.

Mr. Kirkpatrick:

Gave the Director a copy of Park Armstrong's testimony before the
 House Appropriations Committee, in defense of his budget. It was noted

Mr. Kirkpatrick (Continued):

that in view of the numerous remarks by the Committee throughout the testimony, indicating that a good deal of OIR's work could be performed by CIA, we might well expect to be asked for comments on assuming certain OIR functions when we next appeared before the above Committee.
