Dear Whitey:

 has advised me of your recent tele-
phone conversation with him and the fact that you are
planning to come to Washington for a visit sometime
between the first and the middle of November.

There is a possibility that I may be away from
the city sometime during this period, but naturally I
shall be delighted to see you any time if my presence
in Washington coincides with yours. I understand that
Mad has also expressed to  our desire
to get together with them during your Washington visit,
and I am sure that they plan to be here and will see
you at that time.

With best wishes,

Faithfully yours,
