Mr Allen Dulles
State Department

Dear Sir:

I am chairman of a pro United Nations panel to be presented before the League of Women Voters. Those presenting the con side urge the United States to get out of the UN & the UN out of the U. S.

They contend -
1 Alger Hiss worked in developing the UN & packed it with Communists.

2 The Baron de Jouvenel [illegible]

the U.N is loaded with Communists.

3. The United States has no foreign policy, only one dictated by the United Nations.

4. Communist policies in our State Dept. are responsible for the loss of much of our sovereignty.

While I realize these sound like ridiculous allegations, I would appreciate your knowledge & opinion concerning each of their contentions.

Hoping to hear from you as soon as possible.

Thank You

Mrs. L. Holens
